.

## SUMMARY :

Building my career in software development by applying the fundamentals I've learned through projects, while actively exploring new technologies and sharpening problem solving skills to deliver value and adaptive in real-world environments.

## EDUCATION :

Master of Computer Application (MCA) – Rathinam Technical Campus , Coimbatore (Pursuing).

BCOM with Computer Application – S. Ramasamy Naidu Memorial College, Sattur.

Higher Secondary - EVEREST Higher Secoandary School , Kovilpatti.

## PROJECT EXPERIENCE :

A News Reader Interface Using Tkinter : Python | API

- Developed a Python-based news interface that fetches live data from News API, enabling real-time news updates. Implemented API integration, JSON parsing, and dynamic display features to provide users with an interactive experience.

Gold Scheme Management System : VB.net

- Developed a complete gold scheme management system with features like yearly calculation, payment tracking, invoice generation, and scheme details.

Personal Portfolio : HTML | Tailwind CSS | JavaScript

- Built a responsive personal portfolio using HTML, Tailwind CSS, and JavaScript showcase projects, skills, and contact information.

## SKILLS :

- Programming Languages : Java , C.
- Development : HTML, CSS3, Java Script.
- Frameworks : Bootstrap, Tailwind CSS.
- Tools : Git, Git hub.

## CERTIFICATIONS :

Infosys Springboard: Certificate in C Programming, focused on core programming logic, syntax fundamentals, and problem-solving basics.
